COLORIAGE MYSTÈRE À IMPRIMER

A whimsical black and white line drawing of a fairytale landscape, designed as a coloring page. The scene includes a smiling sun in the top left, a hot air balloon in the center, a castle on a hill to the right, a rainbow arching across the middle, and a mushroom-shaped house in the foreground. Various elements like clouds, flowers, stars, and a crescent moon are scattered throughout. Each element is divided into numbered sections (1 through 6) for coloring. The entire illustration is enclosed within a decorative, wavy border.
